

◆ milestone | XProtect® UPGRADE

LIMITED TIME OFFER

Do you want to make sure that your XProtect products are ready for the future? Then it might be time to shift. Upgrade your XProtect® products now and get an exclusive, limited time offer on Milestone Care™.

We are retiring XProtect Express and XProtect Professional by June 2024. The final product will be released in June 2019 and will be followed by a five-year maintenance mode period.

But don't worry, with this offer, you can upgrade to our improved, exceptional products:

- Express to Express+
- Professional to Professional+
- Enterprise to Professional+

Learn more about your upgrade path at www.milestone.com/solutions/platform/video-management-software/product-retirement

What you get

- The industry's highest-performing recording server
- Efficient media handling
- Easy installation and management
- Powerful investigation tools
- Exceptional IT security

Are you eligible for an upgrade?

If you have a qualifying product with active Care Plus, you can upgrade FOR FREE.

If you have a qualifying product with no active Care Plus, you can upgrade for the cost of two years of Care Plus (minimum) on the upgrade path product. Get more information and place your manual order with our Sales Support team at www.milestone.com/support/let-us-help-you/sales-support. Please use the campaign code EtoC-Q2/Q3-2019

Milestone Care Plus is designed to ensure you are ready for the future!

Terms:

Verification: Software License Code (SLC) for original product required

Limited time offer: This offer is valid from April 2019 through October 2019
